

**UNITED WAY'S MISSION IS TO FIGHT
POVERTY IN GREATER LOS ANGELES.**

Our action plan sets out ten goals over the next ten years in three key areas: **BASIC NEEDS** (health care, food and shelter, family safety). We believe all people should have access to the basic services they need to succeed in life. **EDUCATION** (middle

school transition, high school graduation, parent engagement) We believe all young people should graduate from high school prepared for college and the workforce. **FINANCIAL STABILITY** (job training, financial literacy, family savings) We believe all working adults should have access to the economic and employment opportunities they need to provide for their families' future.

CREATING PATHWAYS
OUT OF POVERTY

FIGHTING POVERTY IN L.A. THE UNITED WAY.

1

Help more homeless people get off the streets by investing in solutions that result in individuals having access to permanent housing and needed services.

2

Ensure **100%** of children have health insurance by working at the state and federal levels to leverage funding and support.

3

Ensure **75%** of our nonprofit partners work together to provide integrated basic needs services for low-income families.

4

Increase high school graduation rate to **75%** by ensuring that students have the courses and support they need to graduate prepared for college and skilled for the workforce.

5

Ensure **75%** of at-risk students in United Way programs successfully transition from middle to high school.

6

Ensure **90%** of parents in United Way Programs know how to improve their child's performance at school and their options for college.

7

Ensure **60%** of students complete college prep courses by partnering with parents, youth, teachers, and school districts.

8

Increase income levels of **10,000** adults in United Way programs by training and placing them in good-paying jobs with career ladders.

9

Increase skill levels of working age adults by supporting English and literacy programs, and recruiting volunteer teachers.

10
